The Scrip Scholarship Fund is a program run at Seven Sorrows to help support the students at our Catholic Elementary School, Religious Education Program, and Bishop McDevitt High School as well as the youth of Seven Sorrows.

A portion of net proceeds from gift card sales are placed into a fund. These funds are then distributed back to scholarship recipients toward their desired location listed above.

I understand the importance of using the Scrip Program during the calendar year of 2017-2018, by purchasing Gift Cards on a regular basis.
